## Permission Form for Sunscreen and/or Insect Repellent Use

---

Written authorization is necessary in order for our staff to dispense parent/guardian provided sunscreen, sunblock or insect repellent for your child during the school day. If you wish your child to have sunscreen, sunblock or insect repellent protection when he/she is outside, **you must purchase it and label the product with your child's name.** We cannot use another child's product on your child, and the school does not provide it. Authorization is good for the current school year only.
