

EARTH DAY CELEBRATION

Thursday, April 17th

Celebrating Earth Day helps nurture environmental stewardship. Our planet is fragile. Eco-friendly choices make a BIG difference in helping protect nature and its resources. Roeper is proud to launch a new and improved recycling program! Parent, student and staff support are instrumental in fostering responsible, environmental behaviors to ensure a sustainable future for generations to come!

CALENDAR OF EVENTS

Tuesday 4/15 - Cafeteria Workshops and Trash Sort

Thursday 4/17 -

7:45 - 8:20 Bagel Sale for "Endangered Animal Awareness."

\$1/bagel or pre-order for class by emailing Nan Griffith nparkerg@aol.com.

Steward Bldg/Domes. Proceeds will be donated to Detroit Zoo.

10:55 - 11:25 All School Scavenger Hunt Outdoor Assembly

Throughout Day

Assembly with Sooper Yooper. Enhancing awareness about invasive species and importance of protecting our Great Lakes!

Lunch - Waste-free Lunch Celebration!

Help your child pack a lunch using reusable containers. The average school cafeteria generates 18,500 lbs. of trash/year. Reducing waste helps reduce air, water and land pollution!

12:00-2:00 Assorted workshops lead by staff

Engage, enlighten and empower kids with eco-friendly choices!

3:30-5:00 Family Forest Fun

Our forest is the pride and joy of our campus but it needs TLC. Bring your shovel and come help rejuvenate our paths and flower beds.
