- All homerooms open at 8:10am
- Stage I & and Stage II Dismissal: 3:10PM
- Stage III & Stage IV Dismissal: 3:20pm

Traffic/Parking Lot Safety

It is critical that traffic procedures are followed to keep traffic flowing, avoid a backup on Woodward and, most importantly, keep children safe in the parking lot. The Maintenance Department staff will assist parking and traffic flow on the first day of school when the parking lot is especially full.

Please review the list of safety measures and parking lot traffic plan below.

- **One-way traffic arrows** flow northbound along the curb. Traffic is always one-way along the curb. Two-way traffic is allowed between interior parking spaces only.
- **Stage I and II** parents must park and walk children into the classroom each morning and pick up from the classroom each afternoon.
- **Stage III/IV** curbside loading/unloading rules:
 - Never leave a vehicle unattended.
 - Always pull forward toward CCB to eliminate gaps and keep traffic flowing off of Woodward Avenue.
 - No double parking.
 - Children should never walk unaccompanied by an adult through the parking lot to go to your car. You must park and come to get them or pull up directly to the curb for curbside loading/unloading.
- **No cell phone talking or texting** while driving on campus.
- Yield to pedestrians at all times.
- Observe fire safety **No Parking** zones on pavement and along the Hill House road.
- Please respect the handicap parking spaces.
- **Please note the exit area is EXIT ONLY.** Do not attempt to enter through the northbound exit.

Roeper Bloomfield Parking Lot Plan

**Please refer to the Lower School Parent Handbook for further parking lot details and safety procedures.*
